## Pastoral services

## WHAT CAN WE DO FOR YOU?

Sickness and admission to hospital often make us reflect and meditate. If you feel the need for a quiet, confidential conversation we can provide a listening ear. Pastors are here to provide support to anyone in need.

## CONTACT

You can contact us day and night. You can ask the nursing staff or your doctor to contact the pastor, or you can call him yourself on 016 34 07 31 (internal number: 40731).

Nurses can also contact representatives of other faiths if you prefer.
